CONGRATULATORY LETTER ON YOUR ELECTION AS PRESIDENT OF THE BOARD OF GOVERNORS OF THE AFRICAN CENTRE OF METEOROLOGICAL APPLICATION FOR DEVELOPMENT (ACMAD)

On behalf of the Honourable Minister of Aviation and Aerospace Development, I write to warmly congratulate you on your election as President of the Board of Governors of the African Centre of Meteorological Application for Development (ACMAD) for a four-year term at the **24th Ordinary Session** of the Board held in Cotonou, Republic of Benin, on **10th September, 2026.**

2. Your election to this prestigious continental position is a significant recognition of your professional competence, leadership qualities and unwavering commitment to growing the Nigerian Meteorological Agency (NiMet) within the African meteorological community.

3. However, the appointment, is not only an honour but also a call to greater service and responsibility. I am confident that you will utilise this opportunity to provide visionary leadership to ACMAD and advance its mandate of strengthening the provision and application of weather and climate information for sustainable development in Africa.

4. As you assume this important continental responsibility, I urge you to remain a worthy ambassador of Nigeria, projecting the professionalism, integrity, technical expertise and commitment for which the country continues to strive amongst the comity of nations.

5. I particularly encourage you to leverage this rare opportunity to strengthen collaboration between ACMAD, NiMet and other African and international meteorological institutions, with particular emphasis on capacity development, knowledge transfer, research, innovation and continuous professional development.

6. The Federal Ministry of Aviation and Aerospace Development will continue to support initiatives that strengthen Nigeria's leadership in meteorology, climate services and promote synergy between the Ministry, NiMet and relevant continental and international.

7. Please accept the best wishes of the Honourable Minister, Management and entire staff of the Ministry as President of the ACMAD Board of Governors.
