Co-production of
information.

BEST PRACTICES

- Multi-skilling given limited resources.
- New skill sets (Comms).
- Foster interdisciplinary capacity building.

CHALLENGES

- Retention of capacities (specialized skills).
- Lack of dedicated funding.
- Lack of specialized training programmes.

OPPORTUNITIES

- Building and retaining capacity is a high priority of government(s).

“Overcoming challenges, utilizing opportunities and compliance to standards and best practices will enhance capacities leading to better services”.
